**ANALYZING THE EFFECTS OF SMART PHONES ADDICTION ON
THE ACADEMIC PERFORMANCE UNIVERSITY LEVEL
STUDENTS: A STUDY OF SHAHEED BB UNIVERSITY WARI
CAMPUS**

The Board the research title as above and research supervisor of the scholar
as **Mr. Aftab Ahmad (Lecturer in Education)**

The Board differed the research synopsis with the following comments:

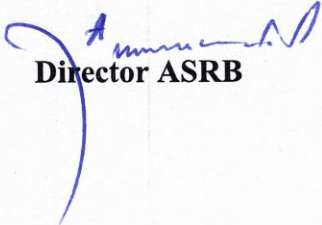

1. Literature survey should be modified in order to truly reflect mobile addiction and its effect on academic performance.
2. Scholar was not clear about her topic.
3. Rewrite reference as per APA style.
4. Clearly define addiction, may be in term of time.
5. Why female students only? The addiction is more in male students. A comparison of both will add depth to the analysis.
6. Synopsis needs re-arrangements to correct the format as per ASRB style.
7. Questionnaire is qualitative. How data will be collected and analyzed.
8. The questionnaire is limited in term of questions. More questions specific to academics like CGPA, time of sleeping, screen duration etc. should be added. Please check latest research.
9. Please use TAM or UTAUT Model as a theoretical framework.
10. Student knowledge is weak and research gape is not clearly define.
11. Update literature and include questions based on modern literature.
12. GSC members are requested to ensure quality work.
