Pharmacy Council of Pakistan  
(Established under the Pharmacy Act 1967)  

F.NO.2-11/2009  

Islamabad, 18th September, 2015  

Subject: PHARMACY EDUCATION IN PAKISTAN—PHARM. D. PROGRAM BY SHAHEED BANAZIR BHUTTO UNIVERSITY, SHERINGAL, UPPER, DIR.  

Dear sir,  

Kindly refer to the correspondence on the subject.  

A team of Pharmacy Council of Pakistan had visited your university, the report of the said team was discussed in the recently held meeting of the Council. The observation made by the visiting Team are as under:-  

"The Council adopted the recommendations of the visiting team and resolved to permit them to start Ph.D. Program effective from the forthcoming session by admitting forty (40) students only. It was also decided that the issue of the admission conducted prior to NOC shall be dealt with as per policy decision taken for such cases in the past"  

2. You are therefore, inform that the admission may be done according to the decision mentioned above. However, admissions conducted prior to the NOC shall be dealt as per the policy on the issue  

The university is further informed that:  

a. They can be inspected at any time  
b. Admission will be done once a year according to the allocation  
c. University will immediately inform any change in the teaching faculty  
d. University will undertake the teaching programs are in accordance with the syllabi  
e. The university will ensure enrolment of its students with this council with in one month of their admission.  

Your Sincerely
